**There are two documents attached which you might find helpful:**

- 1. Affordable health insurance offered by Maine School Management Association.**
- 2. Free and Reduced lunch form for those who's family circumstances may have changed.**

**These documents are also available at our school website.**

Grades 5 and 6 visited FARMS on Friday, March 1st!

## Did you know that March 31st is National Crayon Day?

The first and second grade classroom will be collecting gently used crayons throughout the month. With the help of a parent we have learned about this awesome opportunity to help out other schools who may be in need. Crayons should be in fairly good condition. Think about those crayons they hand out at restaurants and then throw away once the customer leaves. Instead of leaving them behind, take them with you and then donate them to our class. We will pay it forward by making sure others less fortunate in this world are able to color creatively. For more information please visit: [www.crayoncollection.org](http://www.crayoncollection.org)

From Mrs. Flewelling

**Teacher Workshop Days** will be on Thursday, March 14 and Friday, March 15th - No school for students on those days.

Monday, March 11 **Little League sign-ups** 5:00 - 6:00

Pics from our first and second graders' visit to the CLC. The students will be going to the CLC periodically for tennis lessons. What a great opportunity for our students!!!

Our Demo Team performed at the West Bath and Nobleboro Central Schools this week. This was their second trip of the year where they spread the mission of disease prevention and health promotion by encouraging schools to begin their own Jump Rope Program. There are several schools throughout the state who raise funds for the American Heart Association and our Spindrifters have inspired and continue to motivate schools all over the state.
